

GEGENISES OF THE ORGANISATION

It is basically the persisting situation of Nuapada district in Orissa that compelled some socially sensible persons to unite and initiate measures in order to benefit people. The accelerated marginalization process, vulnerable situation, depleting resources, deteriorating health situation of people and overall socio-economic condition of Nuapada region attracted these sensible persons to initiate a process of socio-economic development within a organizational framework named "THE AYAUSKAM" since its inception in 1993 (registered 1998) it has been catering to the need of the people in the district on several social and economical spheres.
